- 1: All orders placed by the new Ambassador within their first 30 days are eligible for Jump Start commissions. Must be active to qualify for Jump Start commissions.
- 2: In order to be binary qualified Ambassadors must have active status and must have personally enrolled 3 active Ambassadors, with a minimum of 1 Ambassador in both the left and right leg. Additionally, each leg must maintain a minimum of 300CV with 150 ETQV in each leg in order for binary pay and check match.
- 3: Must maintain an active status at your rank, and be Binary Commission qualified.
- 4: See requirements of #2.
- 5: You must be an active Ambassador per your Rank Qualifications. You must maintain your organic rank for 3 consecutive months. The 50% Leg Rule applies to the Rank Advancement Bonus calculations.
- 6: You must be an active Ambassador per your Rank Qualifications. You must maintain your rank for 4 consecutive months.
- 7: Retention Matrix requires Ambassador to be personally active with 80PQV. 3x3 is based on Ambassador having 3 personally enrolled Ambassadors with 80PQV each, who also have 3 personally enrolled Ambassadors with 80PQV each. 4x4 and 5x5 follow same rules with appropriate number of active Ambassadors.
