All LQC samples required by section 5730 were performed and met the acceptance criteria. This product has been tested by Brightside Scientific using valid testing methodologies and a quality system as required by state law. Values reported relate only to the product tested. Brightside Scientific makes no claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Brightside Scientific.
