

the roll on

easy and convenient

WHAT IS IT?

A convenient rollerball applicator for precise application of our lightest biorelief formula.

WHAT DOES IT DO?

Inspired by the healing power of nature, BioReigns' Relief line offers soothing ingredients like coconut oil, glycerin, aloe vera, and menthol. Delivered with our exclusive RapidCT technology, your irritated skin and sore muscles will get the relief they deserve.

KEY INGREDIENTS

FUNCTION

aloe vera leaf juice	An antibacterial antioxidant that can help heal burned skin. Helps soothe the appearance of irritated skin.
fractionated coconut oil	Liquid coconut oil used in many skincare products for its anti-fungal, antibacterial, and moisturizing properties.
camphor essential oil	An extract of the camphor tree that can soothe itching and skin irritation. Can also provide mild analgesic effects.
cbd	CBD's wide range of benefits includes your skin! CBD can help with joint pain, skin elasticity, and topical inflammation.
rapidCT	The exclusive BioReigns delivery technology. By using the body's natural ability to absorb water, rapidCT protects and delivers each nutrient quickly, efficiently, and directly to your cells, offering optimal nutritional benefits and creating a better way to a better you!
